

Insurance Protection through membership strength.

Welcome to Statewide Mutual

Statewide Mutual is a NSW Local Government mutual which commenced operation on 31 December 1993 with a membership of 96 Councils. It provides cover to Member Councils on:

1) Assets under a Property Mutual, 2) Liability under a Mutual Liability Scheme, and 3) Fidelity Guarantee.

The Scheme is not insurance. Rather it is a "self insurance mutual" which is backed by reinsurance placed through the local and London markets.

As at 2011, membership consists of 134 General purpose Councils and 17 County Councils & associated entities.

The focus of the Scheme has, for several years, been on risk management to reduce the incidence of claims, thereby making each Council a safer community in which to live or visit. To assist Member Councils in achieving their risk management goals, the Board of Management has employed 7 Regional Risk Managers who operate from various regional centres.

Additionally a suite of Best Practice Manuals and Guidance Notes have been produced to assist Member Councils in formulating their own policies and procedures in managing their risks.

Access to the majority of this website is restricted to Member Councils only, while some areas are available to the public for general information on the Scheme.

If you would like to have more information on any of the covers provided by Statewide Mutual, please contact the Executive Officer.
